

Subject: Your Input Needed for Seminar Program from ASIS International NYC Chapter

*We'd Like Your Input on Seminar Topics for **SECURITY 2010** from ASIS International's NYC Chapter*

Issue: # 1 for SECURITY 2010

November 3, 2009

Greetings!

What Issues Facing Security Professionals Are Most Important to you Right Now?

We're beginning work on SECURITY SOLUTIONS 2010, the 20th Anniversary Seminar & Trade Show program from ASIS NYC Chapter and we want your input on themes that reflect your concerns & interests!

About The Input So Far....

Below are some ideas & topics that have been suggested in the last few weeks. Are any especially significant to you? What are your thoughts about other seminar topics/theme ideas? What do you foresee being important next spring?

Drop me an email with your thoughts and suggestions at: erica.harrison@gmail.com.

Let me know!

Here are some suggestions we've received:

A Looking 20 Years Forward: What Are the Challenges

In This Issue

[Share Your Ideas for Seminar Topics for SECURITY 2010](#)

[Some Ideas On the Table Now Include...](#)

[NEED INFO ABOUT EXHIBITING?](#)

Do You Need Information about Booth Space for SECURITY 2010?

Do You Know Someone Who is Thinking About Exhibiting at The 2010 Show?

Just drop me an email! We'll get the right people to provide information right away!

A. Looking 20 Years Forward - What Are the Challenges Security Practitioners Can See For the Future? "Same Old-Same Old"? What's Beginning to Be of Concern?
[Securing Health Records once they are all digital and portable? Etc. etc.]

B. Transportation Security - 2010 & Beyond: Intermodal Issues - Piracy on the Seas - Air Travel & Air Freight Security - Securing Exports/Imports prior to distribution/transit.... New Wrinkles in Smuggling...

C. The Impact that Diversity [Multi-National/Multi-Continent/Multi-Culture/Multi-Lingual] Brings to Everyday Security Operations & Approaches that Work!

D. Security Issues & International Conglomerates - whether it's: Pharma, Banking, Manufacturing, or supplying food materials, security does not always translate the same way when management's home base is elsewhere -What Strategies Work? What Challenges Go Unmet?

E. What's On Your Mind? What do You want the seminar to focus on?

Your quick e-mail with suggestions, questions about the upcoming show or critique will be greatly appreciated.
Sincerely,

Erica Harrison, CPP
