Q9. Do you have any feedback / suggestions for your Chapter in how to increase membership engagement while balancing mitigation efforts?			
<u>10 Responses</u>			
• Member participation is directly tied to what is being provided in educational sessions, e.g. presentations.			
• Not at this time.			
• I believe there should be more communication with the membership about what is going on with the Chapter.			
• It is my opinion, the Zoom meetings made it easier to attend the meetings.			
• Follow up emails after the meetings to give members a sense of what they missed.			
• Have the monthly meeting a little later in the morning for those of us that have to travel.			
• Try a virtual happy hour – I have never been to one but hear that they are moderately popular.
