FEBRUARY 2024 NEWSLETTER

No February Meeting

Next Meeting Tuesday, March 26, 2024 – Giant Center

Tour and Hershey Bears Game

From the Chairman's Pen:

It was a pleasure to see such a robust turnout for the swearing-in of the 2024 Chapter #079 board members. I hope the participation continues throughout the remainder of the year. I want to thank past ASIS International President Mick Moritz, CPP, for officiating our oath of office. Having such a distinguished member of ASIS International handle this duty is always a pleasure.

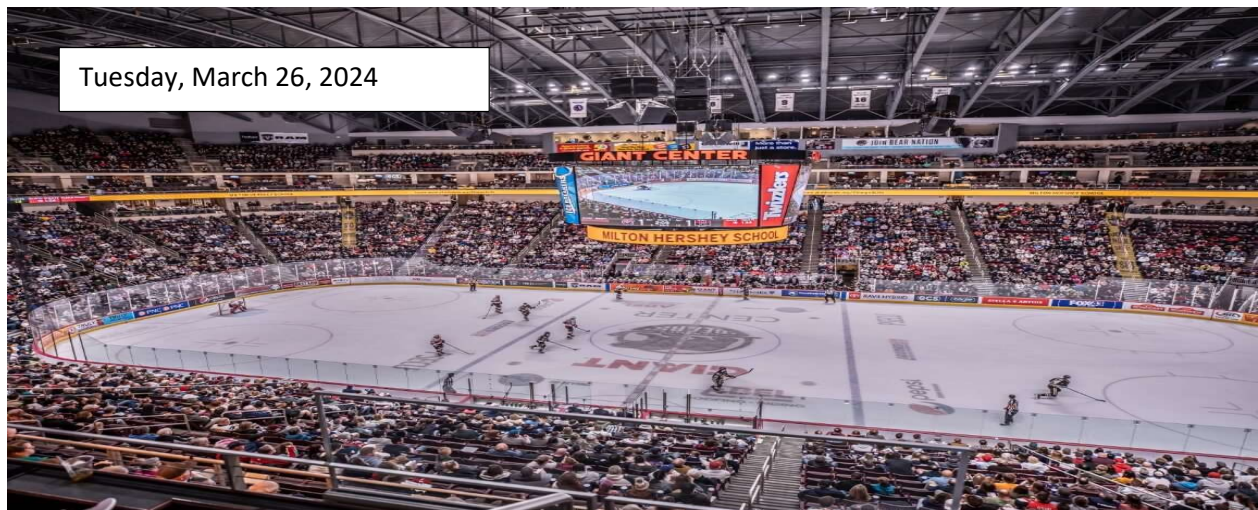

The board met on January 22, 2024, to discuss the remainder of the year moving forward and has set an agenda subject to change. That agenda will be highlighted in subsequent newsletter sections (below).

We will try some different ideas, times, and functions to get a better representation of chapter membership to attend our functions/events. Please pay attention to the dates and times. That being said, we will still have some standard meetings to keep with our traditions.

Our **next chapter meeting will be a site tour of the Giant Center on March 26, 2024.** We will take a look at game day security, followed by watching a Hershey Bears hockey game. Matt Bennett, our Chapter Vice chairman, has sent information on this event; check your emails for further details and ticket information.

Tentative Timeline for the event Tuesday, March 26, 2024:

- 4:00 pm- Meeting/Tour starts at GIANT Center
- 5:30 pm- Meeting/Tour concludes
- 5:30 pm- Doors open for game
- 7:00 pm- Game Starts (Hershey Bears vs Providence Bruins)
- 9:30 pm- Tentative end time of game

If you have any information for the internship station, meet the members, kudos column, or retro spotlight section of the newsletter, please contact a board member and we will include the information in the Newsletter as appropriate.

I look forward to seeing everyone at the GIANT CENTER for the meeting, tour and game.

Respectfully Submitted,

Kyle Ramberger, PSP, Chapter #79 Chairman

INTERNSHIP STATION

The Central PA Chapter of ASIS International is committed to fostering opportunities for the Next Generation (NexGen) of Security Management Professionals.

While higher education is a critical component of professional credentials and qualifications, college/university graduates often have difficulty securing an internship with an organization's Security, Loss Prevention, or Safety and Security department.

Companies and organizations willing to host a paid or unpaid college/university intern seeking to pursue a career in security management are asked to contact the Chapter Chairman to have their agency and upcoming internship opportunities listed in this newsletter.
