## Central Pennsylvania Chapter

## FROM THE CHAIRMAN'S PEN

I hope everyone enjoyed our member appreciation breakfast! It was a pleasure to see such a robust turnout. In addition to the breakfast, we heard an excellent presentation from **Mr. Brad Copeland, President of FileBank Inc.**, regarding 'Using Today's Technology in Evidence Storage and Security Information and Asset Overload.'

I encourage members to attend our meeting this month at the **Hershey Lodge and Convention Center, Empire AB (room) on May 16, 2024, at 8 a.m.** The presenter will be **Mr. Mike Balog, CPP, PCI, and PSP**. Mike will discuss coordinated terror attacks.

Mr. Balog is a retired police commander and current owner of Line Markers Security Consultants, a firm specializing in Physical Security Assessments, Emergency Operation Plan development, and training. During his nearly 30 years in law enforcement, he served as a Precinct Commander, Operations Commander, and Community Relations Section Commander. He served as his agency's SME for integrating the Incident Command System (ICS) for law enforcement and led his department's Critical Incident Stress Management Team for nearly 10 years.

If you have content for the newsletter, particularly in the areas of Internship Station, Meet the Membership, Kudos Column, or Retro Spotlight Recognition, please contact a Chapter Officer. If we do not get participation in these areas, I will pull them from the Newsletter.

Best regards,

Kyle Ramberger, PSP  
Chapter #79 Chairman

**Companies and organizations willing to host a paid or unpaid college/university intern seeking to pursue a career in security management are asked to contact the Chapter Chairman** to have their agency and upcoming internship opportunities listed in this newsletter.
