

ASIS INTERNATIONAL

Central Pennsylvania Chapter

FROM THE CHAIRMAN'S PEN

I would like to thank our May 2024 presenter, **Mr. Mike Balog, CPP, PCI, and PSP**, who provided an excellent presentation on coordinated terror attacks.

Our next meeting will be **Thursday, June 20, 2024, at 8 am**; the location will be the **Milton Hershey School's Campus Safety Building, 731 Meadow Lane, Hershey, PA 17033**. **Rick Gilbert, CPP** and past **ASIS Chapter #079 Chair** will host us for a brief meeting, an overview of their campus operations, and a short tour of their building. Unfortunately, we can only accommodate 20 people for this meeting and tour. Please sign up using the following link: <https://www.surveymonkey.com/r/W88NY2F> to reserve your spot. This is on a first-come basis, so the opportunity will be closed once we reach 20 people. This will be a great opportunity to see an iconic local institution that is one of the best private schools in the world. I look forward to seeing everyone at this unique opportunity.

June will be our last meeting for the summer months as we will take a hiatus for July and August. Have a wonderful summer, and I look forward to seeing everyone when we resume meetings again in September 2024.

On another note, October will be our annual chapter seminar. Please contact a board member if you would like to assist with this event or if your organization would like to be a seminar sponsor.

If you have content for the newsletter, particularly in the following areas: Internship Station, Meet the Membership, Kudos Column, or Retro Spotlight Recognition, please contact a Chapter Officer.

Best regards,

Kyle Ramberger, PSP
Chapter #79 Chairman

INTERNSHIP STATION

The Central PA Chapter of ASIS International is committed to fostering opportunities for the Next Generation (NexGen) of Security Management Professionals.

While higher education is a critical component of professional credentials and qualifications, college/university graduates often have difficulty securing an internship with an organization's Security, Loss Prevention, or Safety and Security department.

Companies and organizations willing to host a paid or unpaid college/university intern seeking to pursue a career in security management are asked to contact the Chapter Chairman to have their agency and upcoming internship opportunities listed in this newsletter.
