

ASIS INTERNATIONAL

Central Pennsylvania Chapter

FROM THE CHAIRMAN'S PEN

Our next meeting will be on **Thursday, September 19, 2024, at 8 a.m. at the Hershey Lodge and Convention Center in Hershey, PA.** The **meeting will take place in Cocoa 4 & 5.** The meeting will include a **FREE** buffet breakfast featuring eggs, bacon and/or sausage, fruit, juice, and pastries. We will be sending a survey for attendance so we can properly order for the **FREE** breakfast buffet.

Our meeting topic will be "The Impact of AI on Physical Security - How Machine Learning and Deep Learning have Revolutionized Edge-Based Analytics and Forensic Video Analysis." The presenters will be Dan Anderson, PSP, Regional Sales Manager at Axis Communications, and Dave Bowyer, Sales Engineer at Axis Communications.

Dan has 35 years of experience in physical security, working as an integrator, manufacturer's rep and manufacturer. He has worked on large projects with universities, airports, government agencies, and deployed over 100,000 cameras worldwide. Dan has his PSP certification and is an 18-year member of the Philadelphia ASIS chapter.

Dave has been a technologist and communications engineer for more than 25 years. He has designed and implemented enterprise infrastructures in manufacturing, internet carrier services, and other business sectors nationwide. Dave has also designed and deployed numerous tactical communications and surveillance systems for law enforcement, public safety, and U.S. federal agencies. His specializations focus on video surveillance, routing and switching infrastructures, and wireless communications. Dave is an alumnus of Johns Hopkins University and holds multiple industry certifications.

INTERNSHIP STATION

The Central PA Chapter of ASIS International is committed to fostering opportunities for the Next Generation (NexGen) of Security Management Professionals.

While higher education is a critical component of professional credentials and qualifications, college/university graduates often have difficulty securing an internship with an organization's Security, Loss Prevention, or Safety and Security department.

Companies and organizations willing to host a paid or unpaid college/university intern seeking to pursue a career in security management are asked to contact the Chapter Chairman to have their agency and upcoming internship opportunities listed in this newsletter.

PROFESSIONAL DEVELOPMENT WEBINARS BY ASIS INTERNATIONAL

For a list of upcoming professional development opportunities, please click on the link provided store.asisonline.org/learning. This link will take you to the ASIS learning page, where you can see the list of available learning opportunities and register.

MEET THE MEMBERSHIP

Throughout the calendar year, The Central PA Chapter of ASIS International endeavors to showcase a chapter member, their role in the security industry, and their potential for networking within our ranks. If you would be interested in being showcased in an upcoming chapter newsletter, please contact rebecca.ramberger@pacourts.us.

KUDOS COLUMN

Throughout the calendar year, The Central PA Chapter of ASIS International endeavors to spotlight chapter members on professional accomplishments. If you know someone who has accomplished something noteworthy in their professional or personal life and is appropriate to spotlight in our Kudos Column in an upcoming chapter newsletter, please contact rebecca.ramberger@pacourts.us.

Retro-Spotlight Recognition

Nominees for the Retro-Spotlight Award will be recognized quarterly at regularly scheduled chapter events for their loyal participation and professional contributions to the security industry and ASIS Chapter #79 since its founding on June 18, 1975.
