ASIS Central Pennsylvania Chapter 79

FROM THE CHAIRMAN'S PEN

This month, we will not be holding our meeting due to the Thanksgiving holiday. Our next meeting is scheduled for December 12, 2024, and will be a joint event with InfraGard and the South Central Task Force (SCTF). It will take place at the Purcell facility of the Milton Hershey School, and there will be no cost to attend. Lunch will be provided. This event presents a valuable networking opportunity with security professionals from across the South Central Pennsylvania region.

Please use the link below to register for the event:

With the year quickly coming to a close, we will be accepting nominations for 2025 Chapter Officers, including the Chairman, Vice Chairman, Secretary, and Treasurer. Please feel free to nominate a colleague or yourself for this unique opportunity to serve our profession and the next generation of security leaders. Please email me your nomination no later than December 2, 2024. We will hold elections electronically, in December 2024 with the installation of officers at our January 2025 meeting.

In closing, I would like to wish everyone a safe and happy Thanksgiving. I look forward to seeing you in person only December 12, 2024, at our joint meeting.

Best Regards,

Kyle Ramberger, PSP

Chapter 79 Chairman

INTERNSHIP STATION

The Central PA Chapter of ASIS International is dedicated to creating opportunities for the next generation (NexGen) of Security Management Professionals.

Although higher education is essential for professional credentials and qualifications, college and university graduates often struggle to secure internships with an organization's Security, Loss Prevention, or Safety and Security department.

Companies and organizations willing to host a college or university intern, whether paid or unpaid, who is interested in pursuing a career in security management are encouraged to contact the Chapter Chairman. This is to have their agency and upcoming internship opportunities listed in this newsletter.
