**ASIS / InfraGard / SCTF**

*Presents*

# *2026 Annual Security Workshop*

**Date:** **Thursday, December 10, 2026**
**Time:** **Registration: 8:30 AM**
**Workshop: 9:00 AM – 3:00 PM**

**Location:** **Purcell Friendship Hall, 109 McCorkle Rd. Hershey, PA 17033**

**Who should attend:**
This workshop is designed to improve the knowledge in the areas of physical and cyber security threats, criminal activities in the region, and critical infrastructure protection.
It is intended for members of ASIS, InfraGard and SCTF's Business, Industry & Infrastructure.

**Workshop Objectives:**
The workshop will provide the participants an opportunity to:

- Receive an overview on crime statistics for the State and the Region from the intelligence community.
- Understand the latest physical and cyber threats and how to protect against them.
- Learn about applying AI in critical infrastructure protection.
- Walk through an interactive session applying AI in use cases.
- Hear about what you can do to inspire leadership in your organization.
- Network with other regional security professionals and the Intel community.

**Registration**
***Participation is limited to the first 150 and registration will be provided on a first come, first serve basis. To register for this event, please visit the Eventbrite Website below:***
